I'm a Developer Advocate at Rubrik and the more I code the more I am starting to feel I should move out of my apartment and call @GitHub home...

- 🔧 I'm currently learning to get better at Go & Terraform and I've been dabbling in some Python & Ruby
- 🔧 I enjoy sharing my knowledge, either on stage at conferences around the globe or from behind my webcam at home 🏠
- 💬 Feel free to reach out with any questions or comments on code, or if you are looking for a speaker for your event.
- 📢 How to reach me:
 - 🐦 - Twitter
 - 🌐 - LinkedIn
 - 📁 - GitHub
- ⚡ Fun fact: I like animals, all animals, you can update the image by raising an issue with NEW in the title: [Update Photo Here](#). If you have any cool photos of your pets feel free to submit a PR for my assets folder and your animals will be part of the rotation!
